

PHASE 7 · FINAL PRODUCTION AUDIT
AUDIT · FIX · VERIFY · DOCUMENT

PRAVEEN GARMENTS

POS SYSTEM

Full-system audit of the billing, POS and inventory application as if delivering to a paying client: two reported runtime bugs root-caused and fixed, 353 regression checks re-run green, placeholder and route sweeps, and an honest production verdict with every gap stated.

Final Report · September 2026

Private deployment · 14 migrations live
