

OFFICIAL USER GUIDE
TESTING & UAT MANUAL

PRAVEEN GARMENTS

BILLING · POS ·

INVENTORY

The complete operating manual for the store team: everyday workflows for billing, stock, customers and purchases; honest hardware status; permission rules; and the full tester / UAT checklists used to accept the system before production sign-off.

Version 1.0 · September 2026

Living document — update with every feature change

Private deployment · Praveen Garments
